

A. Information about the Suggestor:

25X1A

[REDACTED] GS-11, Geographer, ORR/D/GG

B. Summary of the Suggestion:

The suggestor proposes a survey of the methodology and possible intelligence contributions of systematic map plotting.

C. Evaluation of Concerned Offices:

25X1A

The suggestion was rejected by the Committee, 23 January 1953. In March 1953, [REDACTED] appealed for a reappraisal of his suggestion. In a memorandum dated 22 April 1953 the Assistant Director for Research and Reports has informed the Committee that "This Office does not find that any important factor has been presented in the additional material furnished by the suggestor and, therefore, sees no need for modification of our memorandum of 3 December, 1952 on this matter." Files attached for Committee reference.

D. Note:

Rejection for award of this suggestion appears to be indicated in view of the above appraisal. A letter of appreciation expressing the Committee's interest in the constructive thinking and initiative shown by the suggestor is recommended.
